

## Keep your home clean and sparkling!

Dust on the window sills, Crayon on the walls, grime on the tables, icky fingerprints on the ... why did they even touch that?! Ever notice that there seems to be a different cleaner for every different job you want to tackle in your home? You've got dusters, grease cutters, wood cleaners, metal cleaners, you name it. It will make your head spin to walk down the cleaner aisle. And it will make your wallet scream in pain. You don't have to choose. Charlie's Soap Indoor/Outdoor Concentrated Surface Cleaner or Kitchen & Bath Natural Cleaner will get it done. A little squirt is all you need. If it's really dirty, Charlie's Soap can clean it, period, end of story. And that's what we call a short solution to a long problem.
