

## Charlie's Soap will make your home turn heads!

Mildew stains on the siding, oxidized paint, tree sap, bird droppings, all of it gets all over your house. Vinyl siding, gutters, brick, stucco, wood, concrete, nothing is safe from the elements. Ever notice that there seems to be a different cleaner for every different job you want to tackle? It will make your head spin to walk down the cleaner aisle and your wallet will scream in pain—not to mention the plants along your walls, because many are not that friendly to flora or fauna. Charlie's Soap Indoor/Outdoor Surface Cleaner Concentrate lets you stop worrying and just get the job done. A little goes a long way. If it's dirty, Charlie's Soap can clean it, period, end of story. And that's what we call a short solution to a long problem. Charlie's Soap is:

**GREEN:** 97% biodegradable in just a month. (Japan Food Research Labs)  
Your family will be safe because of our Non-Toxic formula.  
Safe for gray water systems or for use around lakes and streams

**CLEAN:** Nothing cleans as thoroughly as Charlie's Soap. (SGS Testing Labs)  
Targets the stains, not the surface. Will not damage surfaces.  
No gloves or masks required. Safe for your skin.  
Use on any washable surface.  
It rinses away completely. (Clemson University School of Textiles)

**GUARANTEED.** We believe in only making products that work well.  
Use as directed and your home will never be cleaner.

**For all exterior surfaces:** Use Charlie's Soap Indoor/Outdoor Surface Cleaner half strength.

- Mix Charlie's Soap Indoor/Outdoor half strength in pump-up garden sprayer.
- Spray mixture liberally over all vertical surfaces.
- Allow Indoor/Outdoor to sit and release soils: at least 10 minutes. The longer you allow Charlie's Soap to sit, the better it cleans.
- Rinse thoroughly using a pressure washer or brush and garden hose.
- Repeat if necessary.
- Works great on: concrete, vinyl, brick, wood, stucco, Masonite, aluminum, canvas, patio furniture, gutters, etc...

**For concrete, asphalt drives and walkways:** Use Charlie's Soap Indoor/Outdoor full strength.

- Apply Indoor/Outdoor directly to spots.
- Let it sit for a few minutes. The longer you allow Charlie's Soap to sit, the better it cleans.
- Rinse with pressure washer or stiff brush and garden hose.
- Not recommended for cleaning asphalt shingles—it cleans away the tar holding the gravel in place.
